

AUSCYCLING EVENT ORGANISER PERMITS

LET'S RIDE TOGETHER

Chapter 1 INTRODUCTION

Supporting cycling events is a strategic priority of AusCycling. Through events we are seeking to inspire more people to ride. To have your event registered and sanctioned by AusCycling means making a commitment to safety, quality standards and regulations.

With thousands of rides and races registered with us every year we can help you to ensure that your event is successful.

Chapter 2 Endorsement Requirements

AusCycling is committed to making sure that any rider has a safe and enjoyable experience in an AC registered event.

AusCycling requires any event organiser that we work with meet a minimum standard of delivery and planning. These standards are outlined further in each section of this document. Specially AusCycling will register and sanction three (3) categories of events:

- Races
- Mass Participation
- School & Kids Competitions

Chapter 3 Event Organisers Insurance

Event organisers and their participants are provided the security of specifically targeted insurance to cover their needs. Furthermore, we have a team dedicated to supporting your insurance queries and claims.

The AusCycling Event Organiser endorsement offer provides insurance and peace of mind for cycling event organisers. Our insurance offering includes:

- Public Liability Insurance
- Personal Accident Insurance
- Management Liability

Chapter 4

Private Organiser Specifics

Event Organisers ('Private Promoters') are critical in delivering events to our members. These organisers provide a critical delivery agent to providing racing experiences for AusCycling members.

AusCycling supports our event organisers through several areas including:

Insurance

The provision of insurance to the event organiser and the participants, including Public Liability (for the event organiser and the participants), Professional Indemnity, and Personal Accident Insurance.

Event Marketing

Leveraging AC marketing assets/ channels to promote the event and increase participant numbers.

Training, Development and Resources

AusCycling conducts training, information sessions and day-to-day support for event organisers and provides documentation and audio-visual resources to assist event delivery.

Entry Systems

The provision of entry systems that make the organising of events easier.

Alignment with AusCycling

By aligning your event with AusCycling you know you, your participants and any authorities know that you have the endorsement of Australia's National Sport Organisation for cycling.

All independent event organisers (non-club) must receive an Event Organiser Licence to gain access to the AusCycling services and receive an event sanction.
