Info/ Class merge
<p><b>Merged Categories</b></p> <p>In the scenario where categories have been merged at an event (for whatever reason), points will be awarded to the rider as per the entered category of the rider.</p> <p><i>For example, if a rider is merged into a category and is placed third in that category but is the first finisher in their entered age category, they will receive first place points.</i></p> <ol style="list-style-type: none"> <li>Under-subscribed classes may be combined with an older category. However, classes with a maximum age of more than 34 (eg 35-39) shall be combined with the next younger category.</li> </ol>

2. In the case that any under-subscribed category cannot be combined according to these rules, the Race Director will use his/her discretion to provide a suitable outcome for riders. If this is not possible then the category may not be run.
3. If the adequate numbers of riders are registered and confirmed during the rider's confirmation, the category will be run even if fewer riders show up at the start.
4. If an inadequate number of riders are confirmed during the rider's confirmation, the category shall be combined as per these rules.

<b>Racing</b>
<p>Superclass / Masterclass / Age Challenge / Cruiser: 4 moto's and finals if required, or 5 moto's</p> <p>Sprockets/ Mini Wheelers: 5 moto's</p> <p>Racing conducted under Auscycling Technical Regulations: BMX 2021 2.03.02(a), 2.03.03(b) - <a href="#">Auscycling Technical Regulations: BMX 2021</a></p> <p>A protest may be filed by a rider through the Team Manager (Riders Advocate) with the Chief Commissaire for the scoring of a rider. Protests can only be made on the results from the scoring medium showing the order in which the riders crossed the</p>

finish line, not the decisions of the commissaires panel that are noted in the results such as DNS (Did Not Start), DNF (Did Not Finish), REL (Relegated).

### Transponders

- all riders (except Sprockets and Mini Wheelers) must have a transponder.
- it is a rider's responsibility to ensure the transponder is correctly affixed to their bike and is operational which includes subscription.
- in the event of a malfunction of the timing system or malfunction or loss of transponder, for any reason, the rider's finishing position will be determined by the officials.
- any rider coming off the gate without a transponder or with a non-working transponder will be scored as DNF and may be disqualified.
- if a rider timing start signal is detected, but not a finish signal, the commissaires will use best endeavours to find the placing for that rider if this is not possible the rider will be scored last.

**In all cases the decisions made by the Chief Commissaire are final and cannot be protested.**

### Overview

State and Territory series are a critical part of the BMX Competition Structure. These events also form a key component of the AusCycling BMX National Cup.

The following are the standard regulations for all State and Territory series.

### Qualification:

- **The minimum qualification is the total number of rounds conducted in a season minus two (2) rounds (e.g. If there are 6 rounds a rider must participate in 4 rounds to qualify for final series awards).**
- In order to be eligible for State series points:
  - The rider must enter in their actual age and gender category; and
  - The rider must be a primary member of a club in the State hosting the event.
  - A rider can only pursue one State series in a season. All riders are only eligible for the series in which they begin the season unless exempted by AusCycling as a result of relocation to a new. Exemptions must be requested to the State GM of the new location.
- If eligible, riders may enter in Superclass (including Junior Superclass) or the Masters category and qualify for points in those categories.

**Note 1:** State series events are open to any rider however, only riders from a primary club situated or allocated within the State holding the event will receive series points for that State.

### Series Points

The awarding of points to the series will be based on the same scale used in the AusCycling BMX National Cup (Table 1).

**Table 1: Base Points – AusCycling BMX State and Territory Series**

Place	Points	Place	Points
1	80	14	32
2	74	15	30
3	68	16	28
4	62	17	26
5	58	18	24
6	54	19	22
7	50	20	20
8	46	21	18
9	42	22	16
10	40	23	14
11	38	24	12
12	36	25	10
13	34	26 onwards	8

### Points Calculation

State series points will be awarded based on the overall finishing place (rank) within each round multiplied by the value of the round.

- Best five (5) State Series rounds [1 x base point]

### **Tie Break**

When competitors share the same number of total series points ties will be broken using the following method:

1. The competitor with the highest number of points earned, in a single event, that counts towards their series total, is awarded the better rank.
2. If still tied, the next highest points for each competitor are compared, and so on, until all events that contribute to their series total are exhausted.
3. If still tied, the rider who places the highest at the State or Territory Championships will be ranked higher.
4. If still tied, the riders will receive the same series placing.
