

2021 Club National Esport Series CLUB TEAM MANAGERS

1. Your team can be any size. Get as many riders from your club as possible.
2. Choose a [team kit](#) for all your riders to wear.
3. Make sure your riders are registered on [Zwift Power](#) and your club acronym (Zwift Power Club Code) is showing correctly.
4. Please use your club's digital media channels to encourage registrations. The more riders, the higher the chance of your team winning.
5. Decide on tactics for the bunch races, encourage your team, be supportive, and have fun.

Please note: The strongest Wi-Fi signal possible is required to avoid drop outs, so please take extra steps to ensure that your wirelessInternet signal is as strong as possible.
