1 OVERVIEW

The BMX State & Territory Series is a critical part of the BMX Competition Structure. These events also form a key component of the AusCycling BMX National Cup.

The following are the standard regulations for all of the State & Territory Series.

2 STATE/TERRITORY SERIES QUALIFICATION

The minimum qualification is the total number of State/Territory Series rounds conducted in a season minus two (2) rounds (e.g. if there are 6 rounds a rider must participate in 4 rounds to qualify for State/Territory Series awards). For clarity, the minimum qualification for each State & Territory is outlined below:

State/Territory	Minimum Qualification	Total Number of Rounds
ACT/NSW	6	8
NT	4	6
QLD	4	6
SA	5	7
TAS	4	6
VIC	4	6
WA	6	8

Please Note:

- In order to be eligible for State/Territory Series points:
 - The rider must enter into their actual age and gender category; and
 - The rider must be a primary member of a club in the State/Territory hosting the event.
 - A rider can only pursue one State or Territory series in a season. Riders are only eligible for the series in the State/Territory in which their primary club is situated (allocated) unless exempted by AusCycling, as a result of relocation to a new State or Territory. Exemptions must be requested via email to events@auscycling.org.au.
- If eligible, riders may enter in Superclass (including Junior Superclass) or the Masters category and qualify for points in those categories.

4 STATE/TERRITORY SERIES POINTS CALCULATION

State/Territory Series points will be calculated by adding the highest attained points from each round, based on the overall finishing place (rank) within each round.

The maximum number of rounds where points can be used for the series calculation is equal to the number of rounds used for qualification. For clarity, the minimum qualification for each State & Territory is outlined below:

State/Territory	Maximum Number of Rounds Included in Points Calculation
ACT/NSW	6
NT	4
QLD	4
SA	5
TAS	4
VIC	4
WA	6

AusCycling, at their discretion, may award double points for any regional round within the State/Territory Series. The double point allocation will not apply to the National Cup Points, and is only applicable to the State/Territory Series points.

4.1 RIDING UP

For State/Territory Series rounds, competitors may move to certain categories. If riding up the rider will not receive series points however, the round will be included as a qualification round. Specifically, this can be done in accordance with the AusCycling Technical Regulations:

- Except at National Championships, National Cup and State/Territory Championships, competitors may enter (ride up) above their racing age or ride the opposite gender category equal to or above (but not below) their own racing age. This includes age-on-day and year of birth racing.
- A competitor in all categories other than participation categories (Sprockets and Mini Wheelers) may ride in any age category above their racing age up to the pinnacle category. Pinnacle category is the category with a maximum age of 34, categories above the age of 34 shall be combined with the next younger category. Participation categories are permitted to ride up within their category only. (e.g. Sprockets must stay in Sprockets).

4.2 MERGED CATEGORIES

In the scenario where categories have been merged at an event (for whatever reason), points will be awarded to the rider as per the entered category of the rider. For example, if a rider is merged into a category and is placed third in that category but is the first finisher in their entered age category, they will receive first place points.

4.3 TIE BREAK

When competitors share the same number of total series points ties will be broken using the following method:

1. The competitor with the highest number of points earned, in a single event, that counts towards their series total, is awarded the better rank.
2. If still tied, the next highest points for each rider are compared, and so on, until all events that contribute to their series total are exhausted.
3. If still tied, the riders will receive the same series placing.
