Welcome to the Bundaberg Cycling Club

BUNDABERG CYCLING SPECTACULAR 2021

Welcome all to the Bundaberg Cycling Spectacular, supported by our Naming Rights Sponsor Queensland Tourism, Innovation and Sport. Unfortunately, the honourable Mr Sterling Hinchelcliff MP sends his apologies for not being able to attend and will be represented by Mr Tom Smith MP, member for Bundaberg.

On behalf of the Management Committee and members of the Bundaberg Cycling Club, I welcome competitors, sponsors, visitors and spectators.

Thank you for supporting a regional carnival which we hope will not only be a huge success for all involved but most importantly a fun few days of racing which will not only showcase the talent of our elite riders but also that of our juniors who are the future of this great sport.

Thank you to the clubs project manager Kerry Devine for your tireless efforts, guidance and mentoring over many months in preparation for this carnival. We are truly thankful for your support of this very young and busy committee. Your support in its professional context and your personal friendship is very much appreciated and without you, this event would not have been a possibility.

I would like to take this opportunity to say thanks for the support to our club partners – ALL LED DIRECT whom have been instrumental in securing our lighting and also Elders Bundaberg for their support to the club through the use of your staff and resources.

Thanks also to:

Our valued sponsors whose generous support to our club has ensured this carnival's success. We have presented two unique styles of promotion for our partners this year in the concept of community engagement with Cancer Council Queensland who are beneficiaries of all funds raised through fundraising events over the two days as well as the recognition of the women in our sport and the recognition that equal prizemoney across all genders should be the norm in the current days. We as a sporting club hope that this initiative is embraced by other sporting clubs into the future and that women stay engaged in competitive cycling and sport into their adult lives.

The many volunteers who have donated time on the many tasks needed leading to and over these two days of spectacular racing.

The Commissaires and other officials overseeing fair and safe racing.

To the riders – we wish you every success, safe riding, great competition and most importantly we wish you a cycling spectacular that you will remember for years to come for all the right reasons.

BUNDABERG CYCLING SPECTACULAR 2021

Different Race Style Information:

ITALIAN PURSUIT:

A team pursuit race in that each team drops a rider at the completion of every lap until only one rider per team is left to race in the final lap. The winner is the team with the fastest time.

The four fastest times will then move into the Italian Pursuit finals.

In our event we are hosting club teams of three to qualify for two finals where the fastest and second fastest teams (1v2) will contest for the overall victory and the third and fourth fastest times (3v4) will contest the other final for third place.

Club team nominations taken on the day. If you don't have enough from your club, we will create a mixed team to provide the opportunity. Provide entries to clerk of the course before 6pm (Allan Sutton)

KEIRIN:

The Keirin is a massed start sprint event of 6 or 8 laps in length. During the first 3 1/2 to 5 1/2 laps the riders are paced by a "pacer" or motorcycle. The speed starts slowly at 20 kph and gradually accelerates to 40 kph before the "pacer" pulls off the track, leaving the riders to sprint for the finish. Riders often qualify for a final through preliminary heats.

<https://cycling.org.au/vic/racing/track/disc/track-races-explained>

HANDICAPS:

A track handicap event is one in which the strongest riders are given the greatest distance to travel in accordance with past performances with the aim of equalising the competition between all riders.

Handicap events are typically held over 1000m – 2000m. Riders must start at the mark given to them by the Handicapper.

Handicaps will be confirmed on the day in partnership with Auscycling depending on previous racing. We reserve the right to make adjustments to grading and handicaps as required.

<https://cycling.org.au/vic/racing/track/disc/track-races-explained>

ELIMINATION RACE:

The Elimination, Miss and Out, or "Devil take the hindmost" is a race in which the last rider across the finish line every (other) lap is withdrawn from the race. One by one the field is whittled down to the final two or three riders then sprint for first second and third place.

<https://cycling.org.au/vic/racing/track/disc/track-races-explained>

UNKNOWN DISTANCE:

This event is a scratch race with the distance not advertised prior to the start. The race may have intermediate Sprints, or a Points score system. The whistle shall be blown with one lap to go.

<https://cycling.org.au/vic/racing/track/disc/track-races-explained>

POINTS RACE:

Riders cover a specific distance (4km - 40 km) and set number of sprint laps. The rider who accumulates the most points, wins the race. Points are awarded on nominated Sprint Laps, signalled by a bell or whistle. The first four finishers in these sprints are awarded 5, 3, 2 and 1 points respectively. If a rider laps the field, he or she is awarded 20 points. Any rider that loses a lap on the field has 20 points deducted from his/ her total.

What are Track Bikes?

Track bikes are specific bikes designed to be stiffer in the frames to maximize acceleration and get the most power out of every pedal stroke possible. They are also more aerodynamic to increase the aerodynamic ability of the bike to decrease wind resistance.

The bikes themselves are setup with no braking which, though sounds a little daunting it's not as scary as it sounds at first (that said – crashing still hurts hey).

Most bikes are made from carbon however, you still see many alloy frames getting about and if you're a bit of a cycling buff there are still the old steel frames drifting about that grind their way around a lot of tracks today.

BUNDABERG CYCLING SPECTACULAR 2021

On behalf of the Bundaberg Cycling Club, we would like to make one final recognition of all our financial partners at club level for their ongoing support throughout the year as well as all our partners for the 2021 Bundaberg Cycling Spectacular.

To our event partners you have truly showcased the importance of cycling to the Bundaberg region and without your ongoing support year in and year out this club would not be able to present this event and draw the competitors from near and far to the beautiful Bundaberg region.

To our major event partner 'Queensland Tourism, Innovation and Sport' we thank you for backing this event enabling us to positively impact the local tourism through our innovative approaches to cycling. You have assured the Bundaberg Cycling Club has been able to provide a true cycling spectacular.

To the competitors we thank you for travelling to Bundaberg for the Bundaberg Cycling Spectacular. I know many of you have many hours ahead of you and some of you have days ahead of you on the roads back to your homes. We wish you a safe journey back and hope that you leave us having had a great cycling experience.

Lastly but not least all the families of competitors, friends, and general spectating community. You are 90% of what make events like this so amazing. Without you events like this would have no great purpose and the atmosphere you bring with you is what we as competitive cyclists thrive on. Thank you for being the atmosphere and we hope we have delivered to you an event you will remember for future years.
