STATE/TERRITORY  
CHAMPIONSHIP JERSEY

Version 1.0 | 8 NOVEMBER 2021

## 1. Introduction

Being awarded the State/Territory Championships Jersey is an honour for any rider. It is critical for AusCycling to ensure a consistency in the manufacture and wearing of the State/Territory Champion jersey. The following outlines the design and ability to wear the State/Territory Champion jersey and champion bands.

## 2. State/Territory Champion Jersey

- 2.1. An State/Territory Jersey may be awarded to the winner, or the highest placed individual from that State/Territory (based on their primary club).
- 2.2. A winner may only be recognised as the State/Territory Champions in one State/Territory per event each year.
- 2.3. Winners may wear their State/Territory Champion Jersey in all events in the discipline specialty and category in which they won their title and no other event up until the day before the championship event of the following year.
- 2.4. For track cycling, Masters riders may wear this jersey in all masters competitions conducted in the event in which the State/Territory Championship was won.
- 2.5. When a rider no longer holds the title of State/Territory Champion the rider may wear piping in their state/territory colours on the collar and cuffs of their jersey in the events of the discipline in which they won the title. The piping must follow the following design.
  - Colour 1, Colour 2, Colour 3 (if applicable)– 33mm width
  - PMS colours must match

ACT	Yellow PMS 116C	Navy PMS 281C	N/A

## 3. Design of Jersey

  - The jersey must be the primary colour
  - The sleeves must be white
  - Knicks and skinsuit bottoms may be black or team colours
  - 33mm Primary (top and bottom) and Secondary (middle) bands across the body (no advertising permitted on the bands)
  - State/Territory Strip colours on the collar and sleeves (33mm width)
  - PMS colours must match the colours in section 2.5

All designs must be approved by AusCycling. Send an email with your proposed design to [events@auscycling.org.au](mailto:events@auscycling.org.au) for approval.
