# Race Overview

Sizzling Summer Series 2022 is the 22nd edition of the famous 3 race criterium series hosted by Logan Cycling Club. This year we will see 3 different courses played out over the three days of racing all held at the RACQ Mobility Centre of Excellence. 1753-1799 Mount Cotton Rd, Cornubia QLD 4130 or [click here to see course location](#). The Mt Cotton track offers us multiple options on slightly undulating private roads that offers you a unique riding experience. This is a very high-quality track that features a couple of rolling hills, nice clean fast sweeping corners all on a wide well looked after road surface. When you arrive at the venue follow the driveway all the way to the end where you will be guided by traffic marshals to the carpark. Registration, Start, Finish and toilets are all located around the carpark. There will be an overall winner awarded for each grade at the end of the series. You can race all 3 rounds and battle for the overall prize, or take on a round or two and try and steal the day. For the elite A men and women A, there will be a sprint classification as well as the overall leader, with the sprints during the round accumulating points for the sprint jersey. Round 1 will also feature the Logan City Criterium Championship for these two grades.

Points will be awarded for each grade as below

# Race Overview

### Leaders Jerseys & Prizes

Leaders jerseys will be awarded for the overall race leader of each round, for all grades U15 and above. Riders awarded a leaders jersey must wear it for the following round. Sprint leaders jerseys will also be awarded to the Elite A men and Women A on each round. If you start a race while leading a classification and fail to wear the leader's jersey, a 5 point deduction will be given for each offense. If you are leading the overall classification as well as the sprint classification you must wear the overall leaders jersey.

All juniors (U17 and below) will receive trophies or in-kind prizes, prize money will be awarded for all other grades.

### Grading

You must race in your current Aus Cycling Queensland grade. Under 19's will be graded with Elite. Under 17 Girls will have a separate race if there are sufficient entries, otherwise they will be graded with Women B. Junior Girls will also get their own race if there are sufficient entries, otherwise they will race with the boys.

### Refunds and Cancellations

In the event of race cancellation, or rider withdrawal prior to event, refer to the Aus Cycling Queensland website for the refund policy.

### Clothing

All riders who wish to race in a sponsored kit must have their uniform registered with Aus Cycling Queensland.

### Race Day Information

The gates to the track open at 6:10am, no entry is permitted before. No warming up on the race track, race point penalties and or fines apply if you enter the track other than racing. Dogs are not allowed at the RACQ venue. Please leave them at home. This is a strict requirement of being able to hire this track. Before your race, you will need to sign on at the registration office and collect your race number. This must be done at least 30 minutes before the start time of your race. Juniors must rollout 15 minutes before the start of their race, and again after their race if they place 1st, 2nd or 3rd. All race numbers and transponders must be returned on the day. Failure in doing this will result in a fine.

# ROUND 1

Round 1 - 20<sup>th</sup> February

Round 1 will feature the Logan City Criterium Championship race for the Elite A Men and Women A. The winner of these two races will be crowned the Logan City Criterium Champion  
Round 1 will also be apart of the Queensland Crit Series for all the grades

The Sizzling Summer Series round 1 course is a slightly undulating 1.8km course  
This is the easiest of the 3 rounds with very fast sweeping bends and only 22 meters of elevation per lap, it's the perfect course to kick of the series.  
The run to the finish features a slight 2% up hill drag that plateaus to a flat final 100m run to the line

# ROUND 2

Round 2 - 27<sup>th</sup> February

Round 2 will bring the Queensland Road Classic Series to the Sizzling Summer Series for all the Women's grades and the Elite Men's A to C races.

For the 2<sup>nd</sup> round of the Sizzling Summer Series, we are tackling the 2.8km Kermesse loop in a clockwise direction. The larger loop adds 1km onto the shorter loop and another 20m of undulating terrain. The finish of the course is going to test the strength of the riders and ability to position. Approaching the finish line there's a corner with 350m, then straight drag all the way to the finish. Positioning is going to be everything, too far back and you will run out of road to pass and too far forward you'll get swamped before the line. The first 150m after the corner is a flat run with the next 100m averaging at a 4.1% gradient and the final 100m averages 2.2%. timing is going to be key to taking out this sprint

# ROUND 3

Round 3 - 6th March

Round 3 will see all the Masters grades at the Sizzling Summer Series not only battle it out for the win but all so some Queensland Road Classic Series points.

For the 3rd round of the Sizzling Summer Series, we are back on the 2.8km Kermesse loop but this time in a anticlockwise direction. The larger loop has about 45m of climbing per lap but most of this is in the back end of the course. This loop has the toughest run into the finish out of all 3 of the rounds with most of the rolling hills all in the last part. This makes the run into the finish dangerous to surprise last minute attacks trying to break free of the sprinters. The final bend is at 275m to go then its straight and all downhill to the line.
