RACE NUMBERS

For the Time Trial riders should place 1 number in the middle of the back. For the Road Race 1 numbers left and right-side pockets. Frame numbers to be fitted to the rear seat post for both events.

TIMING

The transponder is to be securely mounted with a cable tie on the front fork as low as possible, 40 to 45 cm from the ground.

Please ensure that if you are using a separate time trial bike that you move the transponder from your TT bike at the conclusion of Stage 1 & fit to your Road Bike for Stage 2. If you do not have a transponder on your bike your race time and placing may not be recorded.

The transponder is your responsibility & must be returned at the conclusion of Stage 3. Any transponders lost or damaged during the event will incur a \$100 fee to the rider to replace the unit.

For live results go to: [Victorian Junior Road Series \(auscycling.org.au\)](http://auscycling.org.au)
