How to Get there

If you're visiting New South Wales from interstate, Sydney Airport is the closest major airport to Wollongong. Wollongong airport is another option.

Event Sponsors/Partners

Welcome from the NSW Government – Masters and Junior Road National Championships

The NSW Government is delighted to welcome you to the 2022 Masters and Junior Road National Championships, proudly supported by our tourism and major events agency, Destination NSW.

Hosted by AusCycling, this fantastic event provides a great opportunity for the nation's best junior and masters cyclists, and cycling fans, to immerse themselves in a five-day festival of fast-paced peddling in spectacular Wollongong, the Southern Hemisphere's only UCI Bike City.

The breathtaking coastal courses and enthusiasm from the local community make Wollongong an ideal location for the National Championships and enhance the region's reputation as an international cycling destination.

Events like the Masters and Junior Road National Championships also provide a significant boost to the local visitor economy by attracting thousands of competitors, supporters and officials who stay in our hotels, eat in our restaurants and cafes and visit local attractions.

Best of luck to all competitors and don't forget to take some time out from the event to explore the many and varied visitor attractions, warm hospitality and stunning natural scenery that the Illawarra region is known for.

Feeding and Littering During the Road Race

No feeding will be available unless warm weather protocol is required.

Race Convoy

Time Trial: No vehicles will be allowed to follow.

Road Race: Masters – No convoy vehicles permitted.

Juniors – Each Junior State/Territory Team will be provided one spot in the race convoy for each road race start. All vehicles must be under 1.7m. Vehicles over 1.7m will not be permitted in the convoy. All people in convoy vehicles must have an AusCycling licence.

National Champion Jersey

All categories are eligible for the [National Championships jersey](#) for each race.

Riders should note the National Championship Kit policy.

Race Numbers

Time Trial

Road Race and Criterium

Frame Number

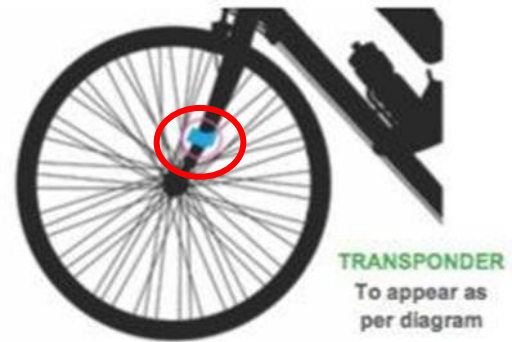

Electronic Timing

Electronic Timing will be used for all events at these championships. Therefore, riders are required to fit a small transponder to the front fork of your bicycle. The transponders will be issued with your race number at registration. DO NOT exchange your transponder with any other competitor as the transponder is coded to your race number. Fitting instruction will be provided in the rider registration pack.

Transponders must be attached to bikes for all events as per instructions given in rider packs. Additional zip ties will be available at registration.

Transponders must be returned after your last race at the start/finish line of the event.

Any rider failing to return their transponder at the event will incur a \$30 administration fee. Lost or damaged transponders will result in a replacement penalty of \$150.

Presentations

All place getters must present to the podium immediately following the race finish. Riders must be presented in their correct attire - race kit, no hats or sunglasses. The Presentations will be held at the following locations:

- Time Trial: Start / Finish area
Subsequent to each category
- Criterium: Start / Finish area
Subsequent to each category final
- Road Race: Marshall Mount Community Hall
Subsequent to each category race

Junior Gearing

The maximum gear development (roll out) permitted for U15's is 6.0 metres and for the U17's is 7.0 metres.

Blocking off of gears is permitted at Junior National Road Championships.

Riders are reminded that the minimum weight for all bikes is 6.8kg. Bikes will be checked prior to racing.

Medical Services

First Aid support will be provided by EMS Event Medical for all events.

Public Urination

Riders are advised that it is an offence to urinate in public. Penalties will be imposed on those who choose to ignore this law.

Anti-Doping

Testing may be conducted at this event. Riders to be tested will be informed of their requirements subsequent to their race by SIA officials. Doping control facilities will be located close to the finish line each day, if in operation.

Radio Communications

During races in these Championships, the use of radio links or any other means of communication with the riders is not permitted.

Junior State Teams in the convoy will be provided with a radio.

Neutralisation

If for any reason conditions warrant the race will be neutralised. In such circumstances a red flag will be displayed from the leading vehicle.

Littering

Riders must not discard bidons or rubbish of any kind on the road side. Riders found to be littering will be fined in accordance with local laws and technical regulations.

Road Closures

Full Road Closures will be in place for the Individual Time Trial.

Road Race course will be closed to traffic. Local residents will be guided to properties via moto marshals.
