In the scenario where categories have been combined at an event (for whatever reason), points will be awarded separately. For example, if JW15 and JM15 have combined into one race, the combined result will be separated into a result for each category, with the full Series Points allocation applied to each.

In the scenario where a category is divided at an event (for whatever reason), the following will apply:

- If ungraded, the full Series Points allocation will be applied to each result
- If graded, the full Series Points allocation will be applied to the highest-grade result, with the second highest grade receiving the full Series Points allocation applied at 75% (rounded down), and the remaining grades receiving the full State Series Points allocation applied at 60% (rounded down).

5.3 TIE-BREAK

Should any riders finish on the same number of points at the end of the series, the tie will be broken by way of countback as follows:
