Technical Regulations	<ul style="list-style-type: none"> All Competitors will adhere to the Rules – as noted in the AusCycling Track Regulations. The rulings will be made in accordance with the Track Regulations. All individual events will be held as an “Open Championships”. Team events will be held as “Club Team Championships”. Riders affiliated through any club are eligible for medals however only riders affiliated with NSW-based clubs are eligible to be declared the NSW State Champion (title awarded to the best place riders from an NSW-based club). Any tall riders must have an exemption to be able to use the Category 2 & 3 height regulations. If you do not have an exemption - standard position applies. Please see the UCI Equipment's Regulations information sheet for further information. For the list of tall riders please see the officials resource page. <p><u>TEAM RULES</u></p> <ul style="list-style-type: none"> The Following rules will be applied for the 2023 Club Team Sprint and Team Pursuit Championship - New South Wales: UCI Track Regulations “3.2.149 Teams shall be made up of riders entered for this event. The composition of a team may be modified from one heat to another. An incomplete team may not take the start. The team manager must notify the commissaires of any changes at least 30 minutes before the relevant competition round start. Up to six riders may be nominated for a team. Interstate clubs may participate but are not eligible for medal round rideoffs. Team Composition - For the purposes of forming teams, a rider's club of representation is their primary road/track club. Any riders must transfer clubs at least 30 days prior to the first day of competition to be eligible. If a non-road/track club rider has a secondary club which is considered a road and track club, it will automatically consider their primary club for the purpose of entry regulations (State/Territory Championships). A club may permit a rider to participate as their secondary club should they not be selected or are not able to provide an opportunity to participate. Composite Team: Composite teams may be formed under the following framework: The club must be located over 200km from the event or be able to provide evidence that there are insufficient entries from the club to enter a team. A minimum of 50% of the participants must be members of the club entering the riders. In the case where a club cannot meet the above, riders may participate however they will not be eligible for medal round ride-offs. <p><u>Flying 200m</u></p> <ul style="list-style-type: none"> For the sprint qualifying handlers must not pass the pursuit line when pushing their rider. All riders must ride up on the front straight roll around to the back straight in heat order. Riders must have 2 numbers on and they can not be inside pockets.
